Why an academy?

To share our work and support R&D and implementation of solar heating and cooling projects worldwide.

How can you participate?

- **Webinars** held quarterly hosted by ISES
- **Videos** highlighting our work and other ST issues
 - Our 1st video package (11 videos) showcases presentations from Qatar's Green Expo held November 2016 in Doha. The speakers discuss our current projects and how IEA SHC is supporting solar thermal in the MENA region.
- **National Days** are country specific events held in conjunction with IEA SHC meetings for the exchange of information between national experts and IEA SHC experts.
- **Onsite Training** provided by IEA SHC experts at the request of IEA SHC member countries.
